

## General Regulations as to Progress of Students<sup>8</sup>

### CONDUCT OF REVIEW

1. A review of the progress of a student registered as a candidate for any Degree or other qualification shall be conducted by the Faculty under the following Regulations or by the Faculty Student Review Committee to which the Faculty has delegated this function.
2. A student's progress may be reviewed if the student is reported by a Head of Department to the Pro-Vice-Chancellor of the relevant Faculty for review on any one or more of the following grounds:
  - (a) failure to attend regularly, or as specified in the relevant Regulations, the programme of study for which the student has registered;
  - (b) failure to perform adequately the work of the programme;
  - (c) failure to present at the times appointed such written work as may have been required;
  - (d) failure to pass an examination;
  - (e) failure to pursue the programme of research or to co-operate appropriately with the appointed supervisor;
  - (f) failure to demonstrate a satisfactory level of professional competence in dealings with others which form part of the student's programme of study or research.

The purpose of the review shall be to determine whether the student shall be permitted to continue the programme of study, and if so on what terms and all aspects of the student's record may be taken into consideration. Where successful conclusion of the programme of study leads to professional practice, that may be taken into consideration.

3. The Pro-Vice-Chancellor or another Officer of the Faculty shall offer any student whose progress is to be reviewed the opportunity to bring before the Faculty or the Committee considerations affecting the case.
4. The Faculty or the Committee shall have power:
  - (a) to exclude or suspend the student from further attendance at lectures, classes and examinations in the Faculty;
  - (b) to suspend the student from attendance at lectures and classes in the Faculty but with permission to take examinations;
  - (c) to exclude or suspend the student from candidature for the higher Degree for which the student is registered;
  - (d) to require that the student transfers to an alternative programme of study;
  - (e) to permit the student to continue the programme of study unconditionally or subject to such requirements of an academic nature as may be

imposed, provided that, in the absence of special circumstances, an undergraduate student registered for a full-time programme of study shall not be permitted to repeat with attendance more than one year of the programme of study.

5. The despatch of a letter to a student's address last notified to the Student Services Department shall fulfil any requirements of giving notice or information to the student under these Regulations.
6. A student who has been excluded from attendance at lectures, classes and examinations in any Faculty may register in another Faculty only with the permission of the Faculty and the latter Faculty.

### RIGHT OF APPEAL

7. The decision of the Faculty or Committee shall be reported to the Director of Student Services, who shall inform the student of the decision and of the effect of this Regulation. A student wishing to appeal against the decision to the Appeals Committee of the Senate shall give notice in writing within 14 days of the date of the letter of notification and the notice shall contain a statement of the grounds for appeal. A Pro-Vice-Chancellor may extend the time-limit imposed by this Regulation.
8. A student may only appeal against a decision of the Committee upon one or more of the following grounds:-
  - (a) that there was a material procedural irregularity which rendered the process leading to the initial decision unfair;
  - (b) that material which the student could not reasonably have been expected to produce at the time of the initial decision casts substantial doubt upon the appropriateness of that decision;
  - (c) that the initial decision was manifestly unreasonable.
9. Appeals are considered by the Appeals Committee of the Senate. The Appeals Committee may confirm, vary or quash the decision of the Faculty or Committee and may exercise any of the powers conferred upon the Faculty or Committee by the foregoing Regulations. The Appeals Committee shall have no power to vary any decision made by Examiners.
10. The student shall be informed of the decision of the Appeals Committee.

<sup>8</sup> Regulations 1-6 apply to students in all Faculties. Regulations 7-10 apply only to students in the Sheffield-based Faculties. Separate Regulations apply to students in the International Faculty ([www.city.ac.gr/genspec](http://www.city.ac.gr/genspec)).
